

BINSEN FLECHTEN

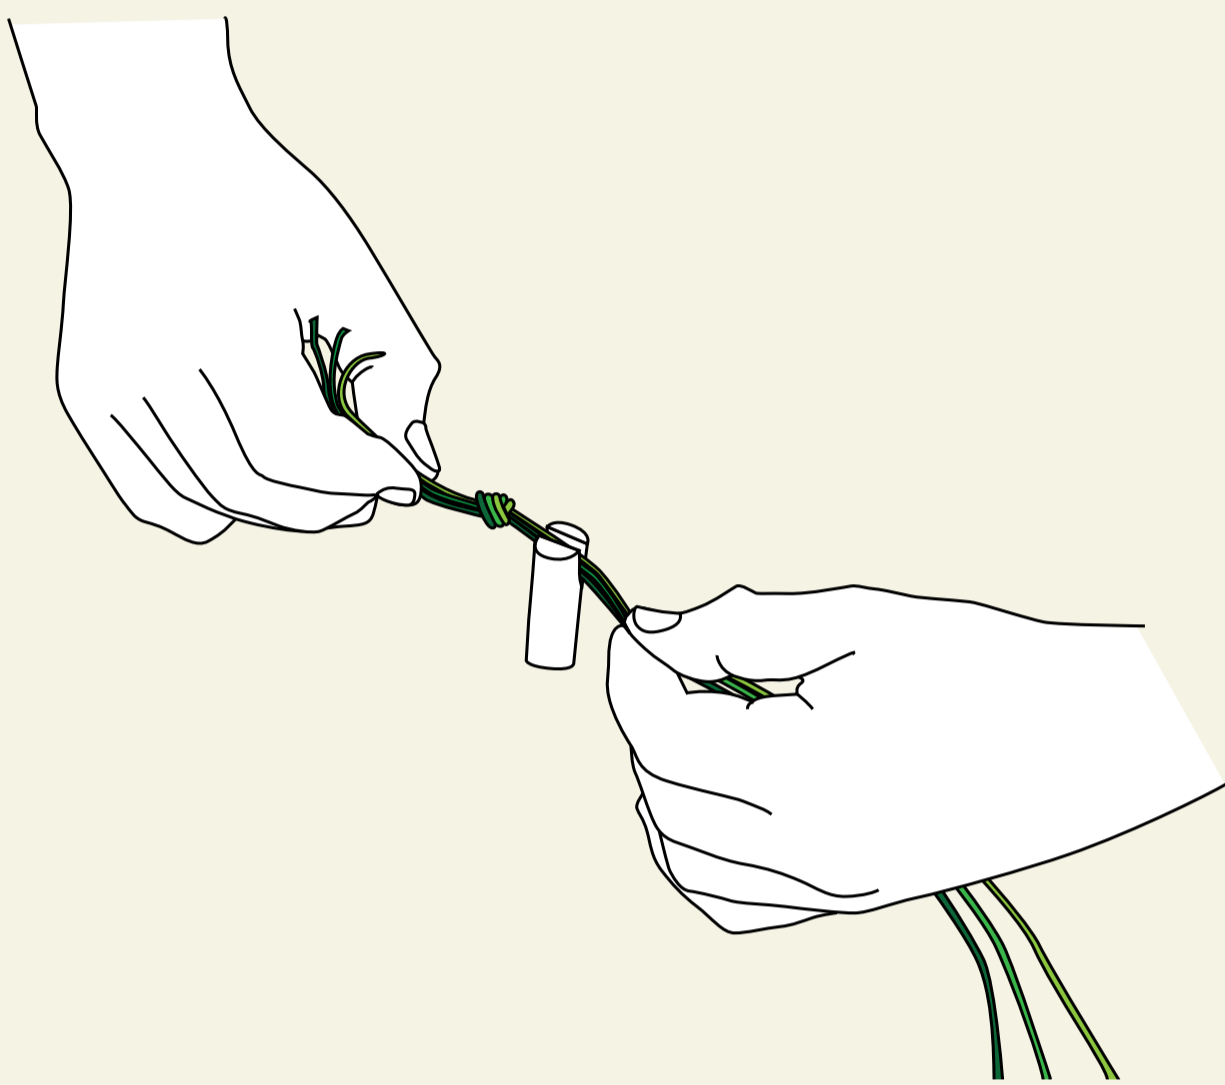

plaiting bulrushes

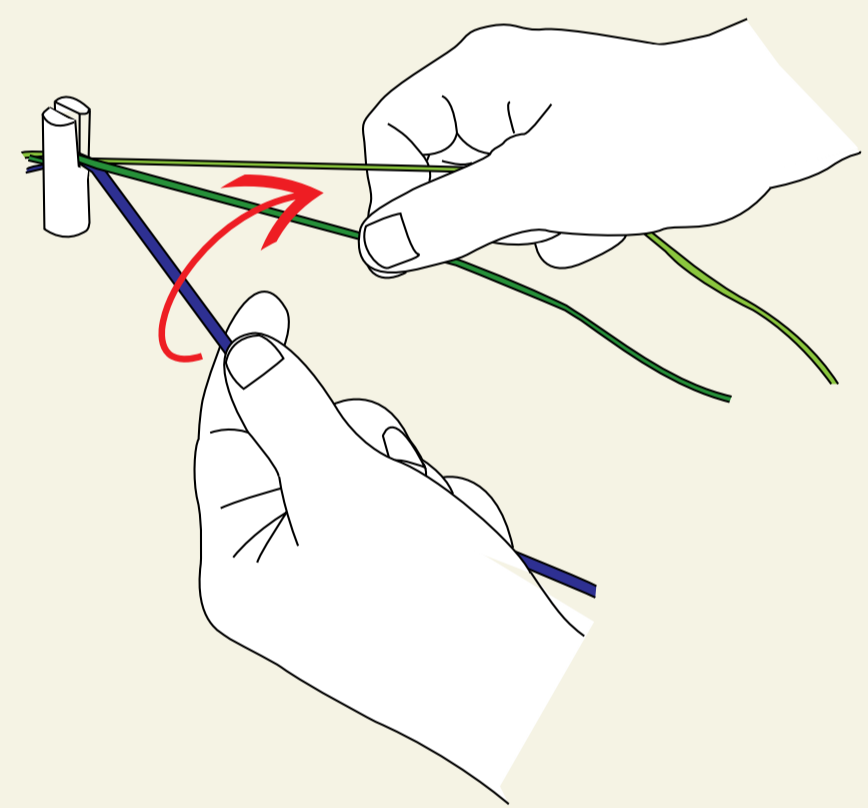

Aus Binsen können leicht
z.B. schöne Armbänder
geflochten werden:

*With bulrushes you can easily
plait bracelets:*

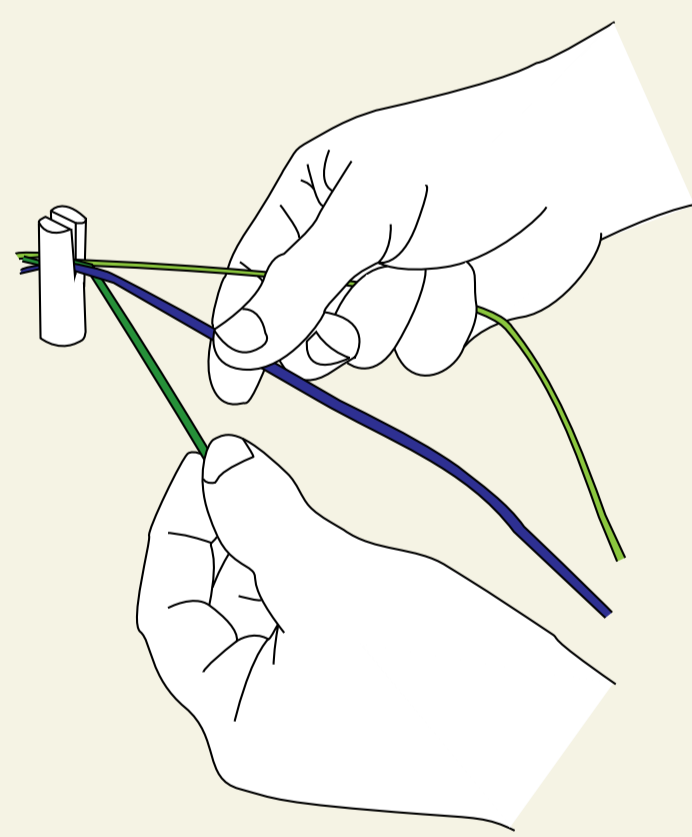

Drei Halme einklemmen
Tuck in three stems

Den linken Halm zwischen
die anderen beiden legen
*Put the left stem between
the other two*

Den rechten Halm zwischen
die anderen beiden legen
*Put the right stem between
the other two*

So fortfahren (jeweils mit dem
äußeren Halm), bis das Band
lang genug ist
*Continue (taking the outer stems
every time) until your cord is long
enough*
